1 x Noctis Pro 22" 1080p Monitor Display with Speakers. )Located in lock box with NVR.  1 x Dahua IPC-PDW5849-A180-E2-ASTE - 2x4MP Full-color Duo Splicing WizMind Network Camera, (Located on existing pole in car park giving you a 180° Panoramic view, covering all areas with 2 way audio)  1 x Camera back box and mount .  1 x CAT6 U/UTP PE FCA External Black - SFX duct grade  1 x Cable fixings and connectors included.						
To carry out installation and set up of all the above, to include training and all signage as required .  There are log cable runs as we are unable to use beams to transmit a signal due to the height of the trees, as the signal would break down as it is not line of site, The cable will give you an uninterrupted 24/7 stable connection, we will also run a spare cable in the duct as a back up if needed. Unfortunately we are unable to take electric from the EDF cabinet located near by as it is EDF property before the smart metre , any interference could result in a heavy fine, as explained in email.
